5973 Avenida Encinas #120

Carlsbad, CA 92008

Enjoy coastal breezes and relaxed 55+ living in this highly desirable detached home in Oceana! Beautiful westerly and southwesterly exposures, an open-concept floor plan, and a thoughtfully remodeled kitchen create an inviting space for everyday living and entertaining. Fully owned solar, a Cool Roof System, and stylish updates throughout add comfort and value.

The beautifully remodeled kitchen (2023) features Calcutta Imperial quartz countertops, a spacious island with seating and storage, Shaker-style cabinetry, a full-height tile backsplash, and a striking tiled accent wall above the stove, complemented by a Broan Elite chimney hood, and GE stainless steel appliances. The open layout flows seamlessly between the kitchen, casual dining area, living room and den. An adjoining bonus room offers flexible space for a home office, formal dining room, or potential third bedroom. Wood and tile flooring, updated bathroom finishes, and multiple skylights bring warmth and natural light throughout the home.

A central atrium provides a charming outdoor focal point with access from the primary bedroom, den, and secondary bedroom. An enclosed patio, currently used as a craft room, offers additional space for hobbies, creative pursuits, or a home workspace.
